

## ROULES OF THE TOURNAMENT

Group stage :  
(2X20 + 5 min. break)  
Semifinals :  
(2x25 + 10 min. break)  
Match for position :  
(2x25 + 10 min. break)  
Final : (2x30 + 10 min. break)

- The team that wins the match gets 3 points, in case of a draw – 1 point.
- If, (after the finals) after group stage teams have the same amount of points, we consider the following to choose the winner:
  - 1) goal average
  - 2) the number of goals scored
- In (team matches) group stage, we take into account the final result, without extra time or penalty kicks.
- In case of draw in semi-finals, matches for position and final there will be no extra time – immediately 5-5 penalty kicks (or more if needed).
- Exchanging players is possible only during the break (e.g. corner kick, out, foul play), and must be signalled by the referee.
- Aggressive play will be punished (red and yellow cards).
- Each serious infringement will be harshly punished (red card).
- A player who gets a yellow card is obliged to leave the football pitch for 2 minutes (substitution is possible).
- Getting the second yellow card means getting a red one. A player has to leave the pitch immediately, he does not take part in the next match. In this case substitution is not possible.
- A player who gets two red cards is excluded from the tournament.
- The team which allows an excluded player to play, loses the match with a walkover.
- The use of shoes with aluminum cleats is forbidden.
- As it is „old boy” tournament, a team is allowed to have no more than four players aged less than 32 **on the field**.
